

We believe God has a special love for children. As you help us to share His love for them, the children also develop a special love and appreciation for you. So that our financial donors may become more informed of the work God is doing through SOAP, we encourage correspondence between the child and donor through cards and letters.

We also produce a monthly online newsletter, the *Orphanage Outlook*. This newsletter, along with other information about SOAP, is available on our website: www.SOAPUGANDA.COM.

Soroti Orphan Assistance Project

UGANDA, AFRICA

A Ministry of Independent Baptist Missionaries
Serving with  in Uganda

OUR PROJECT

Soroti Orphan Assistance Project (SOAP) is a facet of Baptist International Mission of Uganda (BIMU) with the unique purpose of ministering to orphans. Serving under the umbrella of the USA-based worldwide missions agency, Baptist International Missions, Inc. (BIMI), each SOAP missionary is sent under the authority of a stateside independent Baptist church to reach Uganda with the Gospel of Jesus Christ.

SOAP reaches out to the orphan children of Uganda with the Gospel and then trains them to become effective ministers to their own people. In order to do this great task, SOAP accepts into its care and custody, children who are double orphans (having lost both father and mother). We become their parental caregivers and provide for their physical needs along with godly nurturing and training for spiritual development.

OUR PROGRAM

As missionaries sent to fulfill the Great Commission in Uganda, the primary objective of the SOAP team members is to plant (establish) indigenous Baptist churches that proclaim the Truth of God's Word. One means of achieving this objective is through the ministry of molding orphans into God's servants. God has also provided the following ministries to advance this endeavor:

- Local Independent Baptist Churches (planted by BIMI missionaries)
- Independent Baptist Institute of Soroti (A Bible institute and future Seminary)
- Independent Baptist School (A boarding school for orphans)
- Calvary Radio (A Christian radio station)
- Literature distribution (Bibles, tracts, Bible studies, etc.)
- Children's Bible clubs and classes
- One-on-one mentoring and discipleship lessons

OUR PAST

The first BIMI missionaries came to Soroti in the year 2000 at the invitation of one of the Parliament Members from the district. They were given 18 acres of land by the town of Soroti to be used in the

establishment of a church, an orphanage, and a school. The site currently has four permanent buildings which house the students, provide classrooms for the Independent Baptist Institute and the Independent Baptist School, and a meeting place for the Independent Baptist Church of Soroti.

OUR PURPOSE

SOAP was organized for the purpose of providing a "living tool" to evangelize Uganda through church planting. Our hearts' desire is to see one of Uganda's greatest and most-overlooked living resources – orphans – transformed into servants of God.

God has chosen to be glorified by doing His work through the weak and the least of society (1 Corinthians 1:27-29). One can only imagine the spiritual potential of these orphans with whom we work. We have a vision of a vast army of pastors, missionaries, and faithful, active church members. Through these orphans, the unreached masses in Uganda and beyond will hear the Gospel of Jesus Christ.

To God be the glory!

OUR PARTNERS

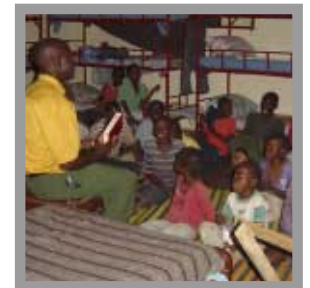

The greatest way that anyone partners with SOAP is through effectual, fervent prayer. It is a spiritual battle and Satan desperately wants to destroy this work of God. Your earnest prayers are a vital part in fulfilling God's wonderful plan for these children.

Many who have prayed faithfully for SOAP have been led by God to partner with this ministry financially as well. It costs approximately \$75 (US) per month to supply the needs for one orphan. This includes food, clothes, shelter, education, medicine, and other related needs. As God lays it upon the hearts of people to financially support this ministry, funds may be sent to the following address:

Baptist International Missions, Inc.
Attn: SOAP #162
P O Box 9215
Chattanooga, TN 37412 USA

or within the country of Uganda:

Soroti Orphan Assistance Project
Box 401
